

Minutes of the Falcon Fanatics
Feb 21 2006

At 7:00 Mike Scarce called the meeting to order. April read the minutes from the January meeting held at the Corky's.

Ray with the Treasurer's report stating a balance of \$900. there were some expenses still needing to be paid out.

Annual Banquet-

A decision needs to be made whether to hold the banquet at Lake Lanier or do something else. By the end of the meeting, Frank had made a suggestion about holding the banquet on his son's house boat at Lake Lanier. During the meeting, Frank talked to his son about holding the banquet on his house boat, and his son said great. There is a limit that the houseboat will hold 20 to 25 people comfortably. We will hold the banquet sometime in June. Mike has talked to Tommy Nobis about when is the best time to get players to come out and speak, and Tommy suggested June because July is when the players are trying to grab the last bit of vacation before practice starts for the season. Mike also mentioned that this year is the Falcon's 40th year. For the banquet trying to get some of the players from the first couple of years the Falcon's started playing. For the food part of the banquet, there are grills on the houseboat; the club will probably grill out hotdogs and hamburgers.

Out of town trip-

Chuck and I met this gentleman at the Peach Bowl concerning game tickets for the Saints and Falcon's game September 24. Chuck will contact the gentleman about tickets.

Parking-

Miriam is still working on the price of parking. Mike doesn't think the price will go down. The price is \$300 and hopefully the price will go down to 250. Not counting on it.

Raffle items

Chuck bought a lot of merchandise at Wal-Mart. He bought about nine jackets, sweatshirts (red and gray) and hats. Small items are still needed.

Frank donated \$100 as he promised and some of the other club members have promised as well to donate to the raffle item project.

Application changes: Chuck has made changes on the membership application. He has added cell number and price changes on the t-shirts. When becoming a member, you can pay \$5.00 for a red t-shirt. Any additional t-shirts will be 10.00.

Club is still working on decoration ideas for tailgating.
